Section 6.3     No Violation. Except for the entry and effectiveness of the Sale Order, neither the execution and delivery of this Agreement by the Buyer, nor the purchase by the Buyer of the Purchased Assets and the assumption by the Buyer of the Assumed Liabilities pursuant to this Agreement will (with or without notice or lapse of time) conflict with or result in any breach of any provision of the Buyer's Certificate of Incorporation or Bylaws.

Section 6.4     Legal Proceedings and Orders. There is no pending Proceeding, and, to the Buyer's Knowledge, no Person has threatened to commence any Proceeding that could have a material adverse effect on the Buyer's ability to consummate the transactions contemplated hereby. Section 7.2 Access to and Delivery of Information; Maintenance of Records. (a) Between the date of this Agreement and the Closing Date, the Selling Entities shall, during ordinary business hours, upon reasonable notice: (i) give the Buyer and the Buyer's Representatives reasonable access to the Seller's accountants, counsel, financial advisors and other authorized outside representatives, officers and senior management and, upon reasonable request, other employees and all books, records and other documents and data, offices and other facilities of the Selling Entities, the Acquired Subsidiaries and the subsidiaries of the Acquired Subsidiaries to which the Buyer is not denied access by law; provided that, in connection with such access, the Buyer and the Buyer's Representatives shall use commercially reasonable efforts to minimize disruption to the Business, the Bankruptcy Case and the Auction; provided further that in connection with the Buyer's and/or the Buyer's Representatives' access of such offices and other facilities, the Buyer and/or the Buyer's Representatives shall be accompanied at all times by a representative of the Selling Entities unless the Seller otherwise agrees, shall not materially interfere with the use and operation of such offices and other facilities, and shall comply with all reasonable safety and security rules and regulations for such offices and other facilities; (ii) permit the Buyer and the Buyer's Representatives to make such reasonable inspections and copies of all books, records and other documents of the Selling Entities, the Acquired Subsidiaries and the subsidiaries of the Acquired Subsidiaries as the Buyer may reasonably request; and (iii) furnish the Buyer with such financial and operating data and other information as the Buyer and the Buyer's Representatives may from time to time reasonably request. Notwithstanding anything to the contrary set forth in this Section 7.2(a), no access to, or examination of, any information or other investigation shall be permitted to the extent that it would require disclosure of information subject to attorney-client or other privilege; provided that the party asserting such privilege advises the other party of the specific assertion of such privilege. All information obtained by the Buyer or the Buyer's Representatives pursuant to this Section 7.2 shall be subject to the terms of the Confidentiality Agreement.

(b) Within five Business Days prior to the Closing, the Seller shall deliver to the Buyer: (i) a breakdown and aging of all accounts receivable and other amounts receivable as of a date not earlier than five Business Days prior to the Closing that is determined in accordance with generally accepted accounting principles and the Selling Entities' standard accounting practices, derived from the

books and records of the Selling Entities and, taken as a whole, accurate and complete in all material respects as of such date; and (ii) a breakdown of all inventory as of the end of the Buyer's most recent fiscal quarter prior to the Closing for which such information is available that is determined in accordance with generally accepted accounting principles and the Selling Entities' standard accounting practices, derived from the books and records of the Selling Entities and, taken as a whole, accurate and complete in all material respects as of such date.

(c) Between the Closing Date and complete dissolution and liquidation of the Selling Entities, the Buyer and the Buyer's Representative shall have reasonable access to all of the Selling Entities' books and records, including all information pertaining to the Assumed Agreements, in the possession of the Selling Entities to the extent that: (i) such books, records and information relate to any period prior to the Closing Date; and (ii) such access may reasonably be required by the Buyer in connection with the Assumed Liabilities or the Excluded Liabilities, or other matters relating to or affected by the operation of the Selling Entities' business and the Purchased Assets. Such access shall be afforded by the Seller upon receipt of reasonable advance notice and during normal business hours. If any of the Selling Entities shall desire to dispose of any such books and records upon or prior to its dissolution, the Seller shall: (A) give the Buyer at least twenty (20) days prior written notice of such disposition; and (B) give the Buyer a reasonable opportunity, at the Buyer's expense, to segregate and remove such books and records as the Buyer may select and/or to copy such books and records as the Buyer may select.

(d) Between the date of this Agreement and the Closing the parties shall in good faith discuss and mutually decide on the manner in which documentary or tangible Excluded Assets (*e.g.*, records and information of the Selling Entities that are Excluded Assets) will be delivered to the Selling Entities and/or physically retained by the Buyer (or a Buyer Affiliate) on behalf of the Selling Entities if delivery is not practical.

(e) Between the Closing Date and complete dissolution and liquidation of the Selling Entities, the Selling Entities and the Seller's Representatives shall have reasonable access to all of the books and records of the Selling Entities, the Acquired Subsidiaries and the subsidiaries of the Acquired Subsidiaries delivered to the Buyer at Closing, including all information pertaining to the Assumed Agreements to the extent that: (i) such books, records and information relate to any period prior to the Closing Date; and (ii) such access may reasonably be required by the Selling Entities in connection with the Excluded Liabilities, the Excluded Assets or tax matters relating to or affected by the operation of Business. Such access shall be afforded by the Buyer upon receipt of reasonable advance notice and during normal business hours. In connection with such access, the Seller and Seller's Representatives shall use commercially reasonable efforts to minimize disruption to the Buyer's business; provided further that in connection with the Seller's and/or the Seller's Representatives' access to any offices and other facilities of the Buyer or any affiliate of the Buyer, the Seller and/or the Seller's Representatives shall be accompanied at all times by a representative of the Buyer unless the Buyer otherwise agrees, shall not materially interfere with the use and operation of such offices and other facilities, and shall comply with all reasonable safety and security rules and regulations for such offices and other facilities. The Buyer shall also provide, and cause the Acquired Subsidiaries to provide, to the Selling Entities and the Seller's Representatives such information as they may reasonably request for purposes of completing IRS Forms 5471. Following the Closing, all information obtained by the Seller or the Seller's Representatives pursuant to this Section 7.2 and all information included in the Purchased Assets shall be considered Confidential Information of the Buyer pursuant to the terms of the Confidentiality Agreement and the Selling Entities shall continue to comply with the terms of the Confidentiality Agreement.

Section 7.3 Expenses. Except to the extent specifically provided herein, in the Bidding Procedures Order or in the Sale Order, whether or not the transactions contemplated hereby are consummated, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be borne by the party incurring such costs and expenses.

Section 7.4 Further Assurances. (a) Subject to the terms and conditions of this Agreement and until the complete dissolution and liquidation or the consummation of a plan of reorganization of the Selling Entities or earlier termination of this Agreement, each of the parties hereto shall use commercially reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things reasonably necessary, proper or advisable under applicable Legal Requirements to consummate and make effective the sale of the Purchased Assets and assumption of the Assumed Liabilities in accordance with this Agreement; provided that, for the avoidance of doubt, following the Closing, the standard of commercial reasonableness shall be interpreted with regard to the Selling Entities in light of their then current resources; provided further that following the Closing, except as otherwise contemplated by this Agreement, all costs associated with complying with this provision shall be borne by the Buyer. The Selling Entities shall use all commercially reasonable efforts to cause the conditions set forth in Sections 8.1 and 8.2 to be satisfied on a timely basis; provided that no Selling Entity shall be required to commence any cause of action to cause such conditions to be satisfied. The Buyer shall use all commercially reasonable efforts to cause the conditions set forth in Sections 8.1 and 8.3 to be satisfied on a timely basis. Promptly following the Closing, the Seller shall deliver a confirmatory license consistent with the license grant set forth in Section 4.4 for recordation at the United States Patent and Trademark Office. Neither the Selling Entities, on the one hand, nor the Buyer, on the other hand, shall, without the prior written consent of the other, take any action which would reasonably be expected to prevent or materially impede, interfere with or delay the transactions contemplated by this Agreement. From time to time, on or after the Closing Date until the dissolution and liquidation of the Selling Entities, the Selling Entities shall execute and deliver such documents to the Buyer as the Buyer may reasonably request in order to more effectively vest in the Buyer all of the Selling Entities' right, title and interest to the Purchased Assets, free and clear of all Encumbrances (other than Permitted Encumbrances). Nothing in this Section 7.4(a) shall prohibit the Seller from taking such actions as are necessary to conduct the Auction.

(b) In the event that any Purchased Asset shall not have been conveyed to the Buyer at the Closing, the Selling Entities (until the liquidation and dissolution thereof and, except as otherwise contemplated by this Agreement, at the expense of the Buyer) shall use commercially reasonable efforts to convey such Purchased Asset to the Buyer as promptly as is practicable after the Closing provided that, for the avoidance of doubt, following the Closing, the standard of commercial reasonableness shall be interpreted with regard to the Selling Entities in light of their then current resources.

Section 7.5 Public Statements; Cooperation. In recognition of the importance of preserving the value of the Purchased Assets and enhancing the competitive position of the Business, except as otherwise required by the Bankruptcy Court:

(a) prior to and after the Closing, the Selling Entities shall obtain the Buyer's prior written consent (which consent shall not be unreasonably withheld or delayed) to any public announcement, public statement or other public disclosure made by or on behalf of any the Selling Entities or any of the Seller's Representatives with respect to this Agreement or the transactions contemplated hereby, except: (i) to the extent required by any Legal Requirement or order of the Bankruptcy Court; (ii) to facilitate the Auction; (iii) under the circumstances in which the Seller is expressly permitted by the Confidentiality Agreement to make such disclosures; or (iv) as is consistent with any communications plan mutually agreed to by the Buyer and the Seller; and

(b) prior to the Closing, the Buyer shall obtain the Seller's prior written consent (which consent shall not be unreasonably withheld or delayed) to any public announcement, public statement or other public disclosure made by or on behalf of the Buyer or any of the Buyer's Representatives with respect to this Agreement or the transactions contemplated hereby, except: (i) to the extent required by any Legal Requirement or order of the Bankruptcy Court; (ii) under the circumstances in which the Buyer is expressly permitted by the Confidentiality Agreement to make such disclosures; or (iii) as is consistent with any communications plan

mutually agreed to by the Buyer and the Seller. For the avoidance of doubt, statements made by the Buyer to any customer, supplier, licensor, dealer or distributor of, or others having business relationships with, any of the Selling Entities, the Acquired Subsidiaries or any of the subsidiaries of the Acquired Subsidiaries with whom the Buyer has a pre-existing business relationship (in direct discussions with any such Person) shall not require the consent of the Seller or be deemed to be a breach of this Section 7.5(b).

Notwithstanding the foregoing, the Buyer and the Seller shall: (1) agree upon a pre-Closing communications plan, including plans for contacting Persons having business relationships with the Selling Entities or the Acquired Subsidiaries (or the subsidiaries of the Acquired Subsidiaries) (including suppliers, licensors, dealers, distributors and customers), and, in connection therewith, disclosing to such Persons the identity of the Selling Entities, the Acquired Subsidiaries (and the subsidiaries of the Acquired Subsidiaries) and the status and terms of this Agreement and the transactions contemplated hereby (and any such disclosure shall not be deemed a breach of the Confidentiality Agreement or this Agreement); and (2) cooperate and coordinate with each other with respect to contacting any such Persons and developing and implementing any such plans.

Section 7.6      Governmental Authority Approvals and Cooperation.

(a)      Governmental Authority Approvals. Prior to the Closing, each of the Selling Entities and the Buyer shall (and the Selling Entities shall cause the Acquired Subsidiaries and the subsidiaries of the Acquired Subsidiaries to) use its commercially reasonable efforts to make any filings and notifications, and to obtain any Consents from Governmental Authorities, required to be made and obtained under applicable Legal Requirements in connection with the transactions contemplated by this Agreement as promptly as practicable.

(b)      HSR. If applicable, each of the Buyer and the Seller shall, as promptly as practicable after the date of this Agreement, file with the United States Federal Trade Commission (the “FTC”) and the United States Department of Justice (the “DOJ”) the notification and report form, if any, required for the transactions contemplated hereby and any supplemental information requested in connection therewith pursuant to the HSR Act. Any such notification and report form and supplemental information shall be in substantial compliance with the requirements of the HSR Act. Each of the Buyer and the Seller shall furnish to the other such necessary information and reasonable assistance as the other may request in connection with its preparation of any filing or submission which is necessary under the HSR Act. The Seller and the Buyer shall keep each other apprised of the status of any communications with, and any inquiries or requests for additional information from, the FTC and the DOJ. If such a filing is made, each of the Buyer and the Seller shall seek early termination of the waiting period under the HSR Act and use its reasonable best efforts to obtain any clearance as promptly as possible required under the HSR Act for the consummation of the transactions contemplated hereby.

(c)      Cooperation. Subject to any restrictions under applicable Legal Requirements, each party hereto: (i) shall cooperate with each other party hereto in connection with the filings and Consents contemplated by Section 7.6(a); (ii) shall promptly inform each other party hereto of any communication received by such party from any Governmental Authority concerning this Agreement, the transactions contemplated hereby and any filing, notification or request for Consent related thereto; and (iii) shall permit each other party hereto to review in advance any proposed written communication or information submitted to any such Governmental Authority in response thereto. In addition, subject to any restrictions under applicable Legal Requirements, none of the Selling Entities or the Buyer shall (and the Selling Entities shall ensure that the Acquired Subsidiaries and the subsidiaries of the Acquired Subsidiaries do not) agree to participate in any meeting with any Governmental Authority in respect of any filings, investigation or other inquiry with respect to this Agreement, the transactions contemplated hereby or any such filing, notification or request for Consent related thereto unless it consults with the other party hereto in advance and, to the extent permitted by any such Governmental Authority and applicable Legal Requirements, gives the other party hereto the opportunity to attend and participate

thereat, in each case to the maximum extent practicable. Subject to any restrictions under applicable Legal Requirements, the Selling Entities and the Buyer shall furnish (and the Selling Entities shall cause the Acquired Subsidiaries and the subsidiaries of the Acquired Subsidiaries to furnish) the Buyer or the Selling Entities, as the case may be, with copies of all correspondence, filings and communications between it and its Affiliates (and their respective Representatives) on the one hand, and the Governmental Authority or members of its staff on the other hand, with respect to this Agreement, the transactions contemplated hereby or any such filing, notification or request for Consent related thereto (in each case, excluding documents and communications which are subject to preexisting confidentiality agreements or to the attorney-client privilege or work product doctrine). Subject to any restrictions under applicable Legal Requirements, each of the Selling Entities and the Buyer shall also furnish each other party hereto with (and the Selling Entities shall cause the Acquired Subsidiaries and the subsidiaries of the Acquired Subsidiaries to furnish the Buyer with) such necessary information and assistance as such other party and its Affiliates may reasonably request in connection with its preparation of necessary filings, registrations or submissions of information to any Governmental Authority in connection with this Agreement, the transactions contemplated hereby and any such filing, notification or request for Consent related thereto.

Section 7.7      Employee Matters.

(a)      At least two Business Days prior to the Closing Date, the Buyer shall provide the Seller with a list of any Employees (the “Specified Employees”) to whom the Buyer intends to make an offer of employment (it being understood that, except as described on Annex A, the terms and conditions of any offer of employment shall be determined by the Buyer in its sole discretion). If the Closing occurs, the Buyer shall be liable for any employment law violations that arise from the Buyer’s actions taken in selecting Employees for the list of Specified Employees. Prior to the Closing, the Buyer shall make the offers of employment described on Annex A.

(b)      The Selling Entities shall terminate, as of the Closing, any Specified Employee who does not become a Transferred Employee as of the Closing and such termination shall be deemed to have been made at the request, and with the consent of, the Buyer.

(c)      After receipt of the list of Specified Employees described in Section 7.7(a) above, but prior to the Closing Date, the Selling Entities shall terminate, effective as of a time prior to the Closing, all Persons who would otherwise be Employees as of the Closing other than: (i) the Specified Employees; and (ii) any Employees who are not Specified Employees and whom the Selling Entities decide to retain following the Closing (“Retained Employees”), and such termination shall be deemed to have been made at the request, and with the consent, of the Buyer. An Employee who satisfies the conditions described in any of clauses “(A)” through “(C)” of this sentence is referred to as a “Terminated Employee”: (A) such Employee is terminated pursuant to the preceding sentence, (B) such Employee is terminated at any other time on or after the Petition Date and prior to the Closing at the direction or with the consent of the Buyer (such consent not to be unreasonably withheld in the case of a proposed termination for “cause”); or (C) such Employee is a Specified Employee who does not become a Transferred Employee as of the Closing.

(d)      If the Closing occurs, the Buyer shall process (or if it is not practicable for the Buyer to process, the Seller shall process on the Buyer’s behalf with the Buyer providing reasonable assistance to the Seller) the payroll for, and pay (or provide funds to pay), the base wages, base salary and ordinary course sales commissions accrued during the payroll period in which the Closing Date falls (the “Closing Payroll Period”) with respect to each Employee employed at any time during the Closing Payroll Period other than Retained Employees. For the avoidance of doubt, the Closing Payroll Period shall extend from the final payroll date preceding the Closing through and including the Closing Date. In connection therewith, the Buyer shall withhold and remit, on behalf of the Selling Entities, all applicable payroll taxes as required by law.

(e) With respect to each Specified Employee who accepts the offer of employment from the Buyer or its subsidiary (the “Transferred Employees”), if the Closing occurs, the Buyer shall assume the Selling Entities’ liability for all unused vacation earned and/or accrued by such Transferred Employee (it being understood that benefits under the Selling Entities’ sabbatical program shall not constitute unused vacation).

(f) With respect to each Terminated Employee and any Specified Employee who does not become a Transferred Employee or a Retained Employee, if the Closing occurs, the Buyer shall assume and pay the Selling Entities’ Liabilities: (i) for all unused vacation earned and/or accrued by such Terminated Employee; and (ii) except with respect to persons listed on Annex A and executive officers of the Seller (as to whom the Buyer shall not assume or pay any severance, change of control, bonus or similar payment or obligation, whether pursuant to any individual employment, severance or similar agreement or otherwise), for severance obligations that arise as a result of the transactions contemplated by this Agreement, but only to the extent such severance obligations arise pursuant to the Seller’s severance plan(s) disclosed to the Buyer prior to the date of this Agreement (and not pursuant to any individual employment, severance or similar agreement). For the avoidance of doubt, any Employee of the Selling Entities whose employment is terminated by the Selling Entities without the consent of the Buyer shall not be deemed to be a “Terminated Employee” for purposes of this Section 7.7(e).

(g) With respect to Employees other than persons listed on Annex A, executive officers of the Seller and other than Retained Employees, if the Closing occurs, the Buyer shall assume and pay the Selling Entities’ Liabilities under the WARN Act (provided that, to the extent that the WARN Act is applicable to any Terminated Employee, the Selling Entities shall comply with all procedural aspects thereof through the Closing Date).

(h) If the Closing occurs, the Buyer shall assume Selling Entities’ Liability under Section 4980B of the Code (“COBRA”); *provided, however*, that, notwithstanding anything to the contrary in this Agreement, the Buyer shall not assume any Liability for making COBRA premium payments (whether or not any Selling Entity has any Liability to make such payments pursuant to any Contract, benefit plan or otherwise), except to the extent required by applicable Legal Requirements. Buyer hereby acknowledges that it will be a “successor employer” for purposes of Treasury Regulations Section 54.4980B-9.

(i) With respect to any medical, dental or other welfare benefits that are provided at any time to Transferred Employees under any other plan within the calendar year of the Closing, the Buyer shall use commercially reasonable efforts to cause any applicable pre-existing condition exclusions and waiting periods (except to the extent such limitations or waiting periods are already in effect with respect to such employees and have not been satisfied immediately prior to the Closing Date) to be waived, and each Transferred Employee shall be provided with credit for any co-payments and deductibles paid prior to the Closing Date in satisfying any applicable deductible or out-of-pocket requirements under any equivalent welfare plans in which an employee participates except to the extent that such a credit would cause duplication of benefits.

Section 7.8 Taxes. The Selling Entities shall prepare and file all necessary Tax Returns and other documentation relating to Transfer Taxes that they are required to file under applicable Legal Requirements and shall provide the Buyer with a reasonable opportunity to review and comment on such Tax Returns (and in any event not fewer than three Business Days) prior to the filing thereof. The Buyer shall bear and pay any Transfer Taxes. The Buyer and the Selling Entities shall cooperate with each other to the extent legally permitted to minimize any such Transfer Taxes. The Buyer shall, within 30 days after the Closing, provide the Seller with an allocation of the sum of the Purchase Price and the Assumed Liabilities (and any adjustments thereof) among the Purchased Assets as of the Closing Date (the “Allocation”) in accordance with Section 1060 of the Code and the Treasury Regulations thereunder. Except as otherwise required by applicable Legal Requirements, the Buyer and the Seller shall report for all Tax purposes all transactions contemplated by this Agreement in a manner consistent with the

Allocation, if any, and shall not take any position inconsistent therewith in any Tax Return, in any refund claim, in any litigation or otherwise. Real property, personal property and other ad valorem Taxes with respect to the Purchased Assets that are due after the Closing Date shall be paid by the Buyer.

Section 7.9 Submission for Bankruptcy Court Approval. (a) Each of the Selling Entities shall file voluntary petitions under Chapter 11 of the Bankruptcy Code no later than April 1, 2009. On the Petition Date (or as soon thereafter as is reasonably practicable but in no event later than April 3, 2009), the Selling Entities shall file a motion or motions (the “Motions”) and supporting papers seeking: (i) the entry of the Bidding Procedures Order (including the scheduling of the Auction); (ii) the Bankruptcy Court’s approval of this Agreement, each of the Selling Entity’s performance under this Agreement and the assumption and the assignment of the Assumed Agreements pursuant to section 365 of the Bankruptcy Code; and (iii) the entry of an order in the form of Exhibit C approving this Agreement, which order shall be a Final Order in a form and substance reasonably acceptable to the Buyer and not subject to Rules 6004(h) and 6006(d) of the Federal Rules of Bankruptcy Procedure (the “Sale Order”). The Buyer shall take such actions as are reasonably requested by the Seller to assist the Seller in obtaining a finding by the Bankruptcy Court that the Buyer is deemed to have purchased the Purchased Assets in good faith pursuant to section 363(m) of the Bankruptcy Code and that it has the necessary qualifications to show adequate assurance of future performance with respect to the Assumed Agreements as required by section 365 of the Bankruptcy Code. The Bidding Procedures Order and the Sale Order may, at the Seller’s option, be sought under one combined set of motion papers, which shall be in form and substance reasonably acceptable to the Buyer. All parties hereto shall use their commercially reasonable efforts to have the Bankruptcy Court enter the Bidding Procedures Order within three Business Days following the filing of the motion therefor, to have the Sale Hearing no later than 30 days after the Petition Date and to have the Sale Order entered no later than 32 days after the Petition Date. The Selling Entities shall give notice under the Bankruptcy Code of the request for the relief specified in the Motions to any Person as to whom any Selling Entity has received notice that such Person has or may have, and to any Person who to the Seller’s Knowledge, might assert, a claim against or with respect to, or interest in, any of the Purchased Assets or Assumed Liabilities, and other appropriate notice, including such additional notice as the Bankruptcy Court shall direct or as the Buyer may reasonably request, and provide appropriate opportunity for hearing, to all parties entitled thereto, of all motions, orders, hearings, or other proceedings relating to this Agreement or the transactions contemplated hereby. The Selling Entities shall be responsible for making all appropriate filings relating thereto with the Bankruptcy Court, which filings shall be submitted, to the extent practicable, to the Buyer at least two Business Days prior to their filing with the Bankruptcy Court for the Buyer’s prior review and approval, which shall not be unreasonably withheld or delayed.

(b) A list of the Assumed Agreements shall be filed as an exhibit to the Sale Motion, or, if required by the Bankruptcy Court, a motion to assume and assign the Assumed Agreements, and otherwise shall be described in sufficient detail to provide adequate notice to the non-debtor party to such Contracts. Upon revision of Schedule 2.1(e) by the Buyer, the Seller shall add any Assumed Agreements to the exhibit or remove Assumed Agreements from the exhibit, as applicable. Such exhibit shall set forth the amounts necessary to cure defaults under each of such Assumed Agreements as reasonably determined in good faith by the Seller. In cases in which the Seller is unable to establish that a default exists, the relevant cure amount shall be set at \$0.00.

(c) Each Selling Entity and the Buyer shall consult with one another regarding pleadings which any of them intends to file with, or positions any of them intends to take before, the Bankruptcy Court in connection with, or which might reasonably affect the Bankruptcy Court’s approval of, the Bidding Procedures Order or the Sale Order. Each Selling Entity shall promptly provide the Buyer and its counsel with copies of all notices, filings and orders of the Bankruptcy Court (and other courts) that such Selling Entity has in its possession (or receives) pertaining to the motion for approval of the Bidding Procedures Order, the Sale Order or any other order related to any of the transactions contemplated by this Agreement, but only to the extent such papers are not publicly available on the Bankruptcy Court’s docket.

(d) If the Bidding Procedures Order, the Sale Order or any other orders of the Bankruptcy Court relating to this Agreement or the transactions contemplated hereby shall be appealed by any Person (or if any petition for certiorari or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing or reargument shall be filed with respect to the Bidding Procedures Order, Sale Order or other such order), subject to rights otherwise arising from this Agreement, the Selling Entities and the Buyer shall use their commercially reasonable efforts to prosecute such appeal, petition or motion and obtain an expedited resolution of any such appeal, petition or motion.

Section 7.10 Overbid Procedures. The Buyer and the Selling Entities acknowledge that the Selling Entities must take reasonable steps to demonstrate that they have sought to obtain the highest or otherwise best price for the Purchased Assets, including giving notice thereof to the creditors of the Selling Entities and other interested parties, providing information about the Selling Entities' business to prospective bidders (subject to confidentiality agreements no less restrictive than the Confidentiality Agreement), entertaining higher and better offers from such prospective bidders, and, in the event that additional qualified prospective bidders desire to bid for the Purchased Assets, conducting an auction (the "Auction"). The Selling Entities and the Buyer agree, and the motion to approve the Bidding Procedures Order shall reflect the fact that the provisions of this Agreement, including this Section 7.10 and Section 7.11, are reasonable, were a material inducement to the Buyer to enter into this Agreement and are designed to achieve the highest and best price for the Purchased Assets.

Section 7.11 Break-Up Fee and Expense Reimbursement. If: (a) (i) the Buyer is not identified as the successful bidder following completion of the actions contemplated by Section 7.10; (ii) at the time the successful bidder is identified, the Buyer is not in material breach of any material provision of this Agreement; (iii) the Buyer has not terminated this Agreement (other than pursuant to Sections 9.1(c) or 9.1(e)); and (iv) a sale of all or a material part of the Purchased Assets to a party or parties (collectively, a "Third-Party") other than the Buyer (the "Third-Party Sale") is consummated; *provided, however*, that a stand-alone reorganization, including a reorganization under which the Seller's secured lenders receive substantially all the equity and/or debt in the reorganized Sellers, shall not constitute a Third-Party Sale; (b) (i) a Third-Party Sale is consummated (whether in the Chapter 11 Case or, if converted into a case under Chapter 7 of the Bankruptcy Code, such Chapter 7 case) within six months of the approval of the Bidding Procedures Order; (ii) at the time of the Third-Party Sale, the Buyer is not in material breach of any material provision of this Agreement; and (iii) the Buyer has not terminated this Agreement (other than pursuant to Sections 9.1(c) or 9.1(e) or (c) one or more Selling Entities files a Chapter 11 plan contemplating the sale or retention of a material portion of the Purchased Assets by the Selling Entities in a manner substantially inconsistent with the terms of this Agreement in circumstances in which the Seller's secured lenders receive more than 50% of the equity and/or debt in the reorganized Seller or any other successor entity (an "Inconsistent Plan"), then the Buyer will be entitled to receive, without further order of the Bankruptcy Court, from the Seller, or, in the event of a Third-Party Sale, out of the deposit from such Third-Party and the proceeds of the consummated sale: (A) a "break-up fee" of \$1,000,000 ("Break-Up Fee"); *plus* (B) the amount of all of the Buyer's documented out-of-pocket expenses (including expenses of outside counsel, accountants and financial advisers) incurred since December 7, 2007 in connection with its evaluation, consideration and negotiation of a possible transaction with the Buyer and in connection with the transactions contemplated hereby, in any case up to \$1,000,000 (the "Expense Reimbursement", together with the Break-Up Fee, the "Termination Payment"). Such Termination Payment shall be made by wire transfer of immediately available U.S. funds to an account designated by the Buyer from the Seller or, in the event of a Third-Party Sale, from the Seller, the deposit from such Third-Party and the proceeds of a Third-Party Sale, with such payment to be made on or before the first Business Day after the consummation of the Third-Party Sale or the filing of an Inconsistent Plan, as applicable. In the event of a Third Party Sale in which one or more of the secured lenders (or their agents or affiliates) of the Selling Entities is the acquiring party, if the cash proceeds from such sale and other funds of the Selling Entities will be insufficient to pay the Termination Payment, such secured lender shall be required to pay any portion of the Termination Payment that cannot be paid in cash from the proceeds of such sale or such other funds to the Buyer (after taking into account the Carve-Out (as defined in the cash collateral order entered in the Chapter 11 Case) as a condition precedent to the closing

of such Third Party Sale (it being understood that the remainder of the Termination Payment will be paid from the proceeds of such sale or other funds after taking into account the Carve-Out). The claim of the Buyer in respect of the Termination Payment shall constitute a super-priority administrative expense claim, senior to all other administrative expense claims of the Selling Entities, as administrative expenses under sections 503 and 507(b) of the Bankruptcy Code in the Chapter 11 Case, senior to all administrative expense claims of the Selling Entities secured lenders, notwithstanding anything to the contrary in any Bankruptcy Court orders approving the Selling Entities use of cash collateral, paid, in cash, from the deposit and/or the sale proceeds generated by the sale or sales of the Purchased Assets paid by a Third-Party Sale and paid to the Buyer, in cash, prior to delivery of any sale proceeds to any of the secured lenders. As part of any motion seeking entry of the Bidding Procedures Order, the Seller shall seek approval by the Bankruptcy Court of this Section 7.11 (and that the substance of this Section 7.11 be in the Bid Procedures Order), which may be approved by the Bankruptcy Court separately from the remainder of this Agreement.

Section 7.12     Transfer of Purchased Assets.

(a) The Selling Entities and the Buyer agree that unless otherwise requested by the Buyer in writing, any of the Purchased Assets (including software) that can be transmitted to the Buyer electronically will be so delivered to the Buyer or a Buyer Affiliate promptly following the Closing and will not be delivered to the Buyer or a Buyer Affiliate on any tangible medium. Promptly following any electronic transmission, the Selling Entities shall execute and deliver to the Buyer a certificate in a form reasonably acceptable to the Buyer and containing, at a minimum, the following information: (i) the date of transmission; (ii) the time the transmission was commenced and concluded; (iii) the name of the individual who made the transmission; (iv) the signature of such individual; and (v) a general description of the nature of the items transmitted sufficient to distinguish the transmission from other transmissions.

(b) The Buyer will make all necessary arrangements for the Buyer or a Buyer Affiliate to take possession of the Purchased Assets, and, at the Buyer's expense, to transfer same to a location operated by the Buyer or a Buyer Affiliate, as promptly as practicable following the Closing.

(c) After the Closing, if any Selling Entity receives any payment, refund or other amount which is a Purchased Asset or which is otherwise properly due and owing to the Buyer or a Buyer Affiliate, such Selling Entity shall promptly remit, or shall cause to be remitted, such amount to the Buyer or a Buyer Affiliate. The Selling Entities shall promptly endorse and deliver to the Buyer or a Buyer Affiliate any notes, checks, negotiable instruments or other documents which are Purchased Assets or otherwise properly due and owing to the Buyer or a Buyer Affiliate, and the Buyer shall have the right and authority to endorse, without recourse, the name of the Selling Entities on any such instrument or document..

Section 7.13     Resignations, Minute Books and Stock Certificates. Except to the extent otherwise determined by the Buyer and communicated to the Seller prior to the Closing, the Seller shall use commercially reasonable efforts: (a) to deliver at the Closing written resignations of all officers and directors of the Acquired Subsidiaries (and subsidiaries of the Acquired Subsidiaries), effective as of the Closing, and the minute books of all Acquired Subsidiaries (and the subsidiaries of the Acquired Subsidiaries); and (b) to facilitate the transfer of director qualifying shares and similar shares of the Acquired Subsidiaries (and subsidiaries of the Acquired Subsidiaries) that are not owned by either a Selling Entity or Acquired Subsidiary to a person designated by Buyer, effective as of the Closing.

Section 7.14     Post-Closing Operation of the Seller; Name Changes. From and after the Closing, the Seller Entities will cease operations that are in any manner competitive with the business being transferred to the Buyer hereunder. Nothing contained herein shall preclude the Selling Entities from conducting any non-competitive business activities, selling Excluded Assets or enforcing their rights and performing their obligations under this Agreement and the other Transaction Documents. Promptly after the Closing, the Selling Entities shall take all necessary action to change their names to names

bearing no resemblance to Silicon Graphics, SGI or any variation thereof and will file such documents as are necessary to reflect such name change in the states in which the Seller Entities are incorporated and the other jurisdictions where the Selling Entities are qualified to do business as a foreign entity and filing an application with and obtaining an order from the Bankruptcy Court requiring a change to the caption of all pleadings and documents to be filed in the Chapter 11 Case from the names of the Seller and the Selling Entities to names bearing no resemblance to Silicon Graphics, SGI or any variation thereof. The Selling Entities agree to promptly notify the Buyer of such name changes and the name chosen by the Selling Entities. Notwithstanding the foregoing, the Seller may refer to Silicon Graphics, SGI and variations thereof as a former name for legal and noticing purposes in the Chapter 11 Case and other legal documents.

## **ARTICLE VIII CONDITIONS TO CLOSING**

Section 8.1      Conditions to Each Party's Obligations to Effect the Closing. The respective obligations of each party to effect the sale and purchase of the Purchased Assets shall be subject to the fulfillment at or prior to the Closing of the following conditions:

Section 8.2      Conditions to Obligations of the Buyer. The obligation of the Buyer to effect the purchase of the Purchased Assets and the assumption of the Assumed Liabilities contemplated by this Agreement shall be subject to the fulfillment at or prior to the Closing of the following additional conditions:

(b) each of the Selling Entities' representations and warranties which are set forth in this Agreement (except for those contained in Sections 5.1 and 5.10) shall be true and correct in all respects as of the date of this Agreement and as of the Closing Date as though made at and as of the Closing Date (except to the extent that any such representation or warranty speaks as of a particular date in which case such representation or warranty shall be true and correct in all respects as of such date); *provided, however*, that in determining the accuracy of such representations and warranties for purposes of this Section 8.2(b): (i) all materiality qualifications that are contained in such representations and warranties and that limit the scope of such representations and warranties shall be disregarded; and (ii) any inaccuracies in such representations and warranties shall be disregarded if the circumstances giving rise to all such inaccuracies (considered collectively) do not constitute, and would not reasonably be expected to have or result in, a Material Adverse Effect;

(c) each of the Selling Entities' representations and warranties contained in Sections 5.1 and 5.10 shall be true and correct in all material respects as of the date of this Agreement and as of the Closing Date as though made at and as of the Closing Date (except to the extent that any such representation or warranty speaks as of a particular date in which case such representation or warranty shall be true and correct in all material respects as of such date);

(d) the Buyer shall have received a certificate from an authorized officer of the Seller, dated as of the Closing Date, to the effect that, to such officer's knowledge, the conditions set forth in Sections 8.2(a), 8.2(b), 8.2(c) and 8.2(g) have been satisfied;

(e) the Purchased Assets shall be able to be delivered free and clear of any Encumbrances other than Permitted Encumbrances;

(f) the Buyer shall have received the other items to be delivered to it pursuant to Section 4.2; and

(g) since the date of this Agreement, there shall have not have occurred any Material Adverse Effect, and no events, developments or effects shall have occurred (and no circumstances or conditions shall have come into existence) since the date of this Agreement that would reasonably be expected to have or result in a Material Adverse Effect.

Any condition specified in this Section 8.2 may be waived by the Buyer; *provided* that no such waiver shall be effective against the Buyer unless it is set forth in a writing executed by the Buyer.

Section 8.3 Conditions to Obligations of the Selling Entities. The obligation of the Selling Entities to effect the sale of the Purchased Assets contemplated by this Agreement shall be subject to the fulfillment at or prior to the Closing of the following additional conditions:

(a) the Buyer shall have performed and complied in all material respects with the covenants contained in this Agreement which are required to be performed and complied with by the Buyer on or prior to the Closing Date and the representations and warranties of the Buyer which are set forth in this Agreement shall be true and correct in all material respects as of the date of this Agreement and as of the Closing Date as though made at and as of the Closing Date (except to the extent that any such representation or warranty speaks as of a particular date in which case such representation or warranty shall be true and correct in all material respects as of such date);

(b) the Seller shall have received a certificate from an authorized officer of the Buyer, dated as of the Closing Date, to the effect that, to such officer's knowledge, the conditions set forth in Section 8.3(a) have been satisfied; and

(c) the Seller shall have received the other items to be delivered to it pursuant to Section 4.3.

Any condition specified in this Section 8.3 may be waived by the Seller; *provided* that no such waiver shall be effective against the Seller unless it is set forth in a writing executed by the Seller.

## **ARTICLE IX TERMINATION AND ABANDONMENT**

Section 9.1 Termination. This Agreement may be terminated at any time prior to the Closing by:

(a) mutual written consent of the Seller and the Buyer;

(b) the Seller if: (i) any of the Buyer's representations and warranties contained in this Agreement shall be inaccurate as of the date of this Agreement, or shall have become inaccurate as of a date subsequent to the date of this Agreement (as if made on and as of such subsequent date), such that the condition set forth in Section 8.3(a) would not be satisfied; or (ii) any of the Buyer's covenants or obligations contained in this Agreement shall have been breached such that the condition set forth in Section 8.3(a) would not be satisfied; *provided, however*, that if an inaccuracy in any of the Buyer's representations and warranties or a breach of a covenant or obligation by the Buyer is curable by the Buyer within ten Business Days after the date of written notice from the Seller to the Buyer of the occurrence of such inaccuracy or breach, then the Seller may not terminate this Agreement under this Section 9.1(b) on account of such inaccuracy or breach: (A) during the ten Business Day period commencing on the date on which the Buyer receives notice of such inaccuracy or breach; or (B) after such ten Business Day period if such inaccuracy or breach shall have been fully cured during such period in a manner that does not result in a material breach of any covenant or obligation of the Buyer;

(c) the Buyer if: (i) any of the Selling Entities' representations and warranties contained in this Agreement shall be inaccurate as of the date of this Agreement, or shall have become inaccurate as of a date subsequent to the date of this Agreement (as if made on and as of such subsequent date), such that the condition set forth in Section 8.2(b) or 8.2(c), as applicable, would not be satisfied (taking into account the proviso contained in Section 8.2(b)); or (ii) any of the Selling Entities' covenants or obligations contained in this Agreement shall have been breached such that the condition set forth in Section 8.2(a) would not be satisfied; *provided, however*, that if an inaccuracy in any of the Selling Entities' representations and warranties or a breach of a covenant or obligation by any of the Selling Entities is curable by it within ten Business Days after the date of written notice from the Buyer to the Seller of the occurrence of such inaccuracy or breach, then the Buyer may not terminate this Agreement under this Section 9.1(c) on account of such inaccuracy or breach: (A) during the ten (10) Business Day period commencing on the date on which the Seller receives notice of such inaccuracy or breach; or (B) after such ten (10) Business Day period if such inaccuracy or breach shall have been fully cured during such period in a manner that does not result in a material breach of any covenant or obligation of the Selling Entities;

(d) the Seller or the Buyer, if: (i) there shall be any Legal Requirement (other than a Legal Requirement the violation of which would not reasonably be expected to result in: (A) criminal liability; or (B) fines or penalties in excess of \$1,000,000) that makes consummation of the transactions contemplated hereby illegal or otherwise prohibited; or (ii) consummation of the transactions contemplated hereby would violate any nonappealable final order, decree or judgment of the Bankruptcy Court or any court or Governmental Authority having competent jurisdiction; *provided* that the party seeking to terminate pursuant to this Section 9.1(d) shall have used its reasonable best efforts to challenge such Legal Requirement, order, decree or judgment;

(e) the Buyer or the Seller, if the Bankruptcy Court enters an order approving a Third-Party Sale or if any Chapter 11 Case filed by any of Silicon Graphics, Inc., Silicon Graphics Federal, Inc. or Silicon Graphics World Trade Corporation is dismissed or converted to Chapter 7 of the Bankruptcy Code for any reason;

(f) the Buyer, at any time on or after May 15, 2009, if the Sale Order has not been entered by the Bankruptcy Court by May 15, 2009 on the docket of the Bankruptcy Court; *provided* that the Buyer shall not be entitled to terminate this Agreement pursuant to this Section 9.1(f) if the breach by the Buyer of any representation, warranty or covenant contained in this Agreement is a proximate cause of the failure of the Sale Order to be entered by such date; or

(g) the Seller, on or after May 15, 2009, if the Sale Order has not been entered by the Bankruptcy Court by May 15, 2009 on the docket of the Bankruptcy Court; *provided*, that the Seller shall not be entitled to terminate this Agreement pursuant to this Section 9.1(g) if its own breach of any

representation, warranty or covenant contained in this Agreement is a proximate cause of the failure of the Sale Order to be entered by such date; or

(h) the Buyer, if the Closing shall not have occurred on or prior to the date ten Business Days following the date the Sale Order is entered by the Bankruptcy Court, or the Seller, if the Closing shall not have occurred on or prior to the date ten Business Days following the date the Sale Order is entered by the Bankruptcy Court; *provided*, that the Buyer or the Seller, as the case may be, shall not be entitled to terminate this Agreement pursuant to this Section 9.1(h) if its own breach of any representation, warranty or covenant contained in this Agreement is a proximate cause of the failure of the Closing to occur on or prior to such date.

Section 9.2 Procedure and Effect of Termination. In the event of termination of this Agreement and abandonment of the transactions contemplated hereby pursuant to Section 9.1, written notice thereof shall forthwith be given by the terminating party to the other party and this Agreement shall terminate and the transactions contemplated hereby shall be abandoned, without further action by any of the parties hereto *provided, however*, that: (a) no party shall be relieved of any Liability arising from any intentional breach by such party of any provision of this Agreement; and (b) Section 7.11 and Article X shall not be affected by the termination hereof.

Section 9.3 Extension; Waiver. At any time prior to the Closing, the Selling Entities, on the one hand, or the Buyer, on the other hand, may: (a) extend the time for the performance of any of the obligations or acts of the Buyer (in the case of an agreed extension by the Selling Entities) or the Selling Entities (in the case of an agreed extension by the Buyer); (b) waive any inaccuracies in the representations and warranties of the Buyer (in the case of a waiver by the Selling Entities) or the Selling Entities (in the case of a waiver by the Buyer) contained herein or in any document delivered pursuant hereto; (c) waive compliance with any of the agreements of the Buyer (in the case of a waiver by the Selling Entities) or the Selling Entities (in the case of a waiver by the Buyer) contained herein; or (d) waive any condition to its obligations hereunder. Any agreement on the part of the Selling Entities, on the one hand, or the Buyer, on the other hand, to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of the Selling Entities or the Buyer, as applicable.

## **ARTICLE X MISCELLANEOUS PROVISIONS**

Section 10.1 Amendment and Modification. This Agreement may be amended, modified or supplemented only by written agreement of the Selling Entities and the Buyer.

Section 10.2 Waiver of Compliance; Consents. Except as otherwise provided in this Agreement, any failure of any of the parties to comply with any obligation, covenant or condition herein may be waived by the party or parties entitled to the benefits thereof only by a written instrument signed by the party or parties granting such waiver, but such waiver or failure to insist upon strict compliance with such obligation, covenant, or condition shall not operate as a waiver of, or estoppel with respect to any subsequent or other failure.

Section 10.3 Survival. The parties hereto agree that the representations and warranties contained in this Agreement shall not survive the Closing hereunder, and none of the parties nor any of their respective officers, directors, representatives, employees, advisors or agents shall have any Liability to the other after the Closing for any breach thereof (it being understood that nothing in this Section 10.3 shall impact any remedy available to any party hereto in the event of fraud). The parties hereto agree that only the covenants contained in this Agreement to be performed at or after the Closing Date shall survive the Closing hereunder, and each party hereto shall be liable to the other after the Closing Date for any breach thereof.

Section 10.5 Assignment. This Agreement and all of the provisions hereof shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns, including, in the case of the Selling Entities, the Selling Entities' trustee in the Bankruptcy Case;

*provided, however*, that: (a) prior to the Closing Date, neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any party hereto, including by operation of law, without the prior written consent of the other parties hereto; and (b) that this Agreement shall be assignable by the Buyer, without the prior written consent of any Selling Entity, only to one or more Buyer Affiliates, so long as the Buyer shall continue to remain obligated hereunder. Any assignment of this Agreement or any of the rights, interests or obligations hereunder in contravention of this Section 10.5 shall be null and void and shall not bind or be recognized by any Selling Entity or the Buyer.

Section 10.6 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law or public policy, all other terms, conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 10.7 Governing Law. This Agreement shall be governed by the laws of the State of New York, without giving effect to the principles of conflicts of laws thereof.

Section 10.8 Acknowledgement and Release. The Buyer acknowledges that the Selling Entities are the sole Persons bound by, or liable with respect to, the obligations and Liabilities of the Selling Entities under this Agreement and the other Transaction Documents, and that no Affiliate of any Selling Entity or any of their respective subsidiaries or any current or former officer, director, stockholder, agent, attorney, employee, representative, advisor or consultant of any Selling Entity or any such other Person shall be bound by, or liable with respect to, any aspect of this Agreement and the other Transaction Documents, except in the event of fraud.

Section 10.9 Submission to Jurisdiction. Unless and to the extent otherwise specifically provided herein, the parties hereto irrevocably submit to the exclusive jurisdiction of the Bankruptcy Court (or any court exercising appellate jurisdiction over the Bankruptcy Court) over any dispute arising out of or relating to this Agreement or any other agreement or instrument contemplated hereby or entered into in connection herewith or any of the transactions contemplated hereby or thereby. Each party hereby irrevocably agrees that all claims in respect of such dispute or proceedings may be heard and determined in such courts. The parties hereby irrevocably waive, to the fullest extent permitted by applicable law, any objection which they may now or hereafter have to the laying of venue of any such dispute or proceeding brought in such courts or any defense of inconvenient forum in connection therewith.

Section 10.10 Counterparts. This Agreement may be executed and delivered (including by facsimile transmission) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which, when executed and delivered, shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

Section 10.11 Incorporation of Schedules and Exhibits. All Schedules and all Exhibits attached hereto and referred to herein are hereby incorporated herein by reference and made a part of this Agreement for all purposes as if fully set forth herein.

Section 10.12 Entire Agreement. This Agreement (including all Schedules and all Exhibits) and the Confidentiality Agreement constitute the entire agreement among the parties with respect to the subject matter hereof and supersede all prior agreements and understandings among the parties with respect thereto.

Section 10.13 Remedies. The parties hereby acknowledge and agree that money damages may not be an adequate remedy for any breach or threatened breach of any of the provisions of this Agreement and that, in such event, each party or its respective successors or assigns may, in addition to any other rights and remedies existing in their favor, apply to the Bankruptcy Court or any other court of competent jurisdiction for specific performance, injunctive and/or other relief in order to enforce or prevent any violations of this Agreement.

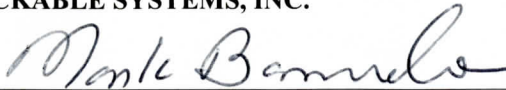

Section 10.14 Bulk Sales or Transfer Laws. The Buyer hereby waives compliance by the Selling Entities with the provisions of the bulk sales or transfer laws of all applicable jurisdictions. The Selling Entities agree to cooperate with the Buyer, upon the reasonable request of the Buyer and at the Buyer's expense, in making any bulk sales filings the Buyer may, in its sole discretion, decide to file.

## **Annex to Asset Purchase Agreement Executive Retention Arrangements**

Ruby will use reasonable commercial efforts to enter into arrangements in connection with the Closing with the current Sapphire CEO and ten (10) Sapphire executives (Britt, Wood, Goh, Qualters, Pette, Gibson, Hanna, Harkness, Pebworth and Chapek) (the “Sapphire Executives”). These arrangements will be in lieu of existing employment and change of control compensation arrangements. The following are the principal terms of such arrangements:

- *CEO:* Ruby and Mr. Ewald will enter into a transition agreement under which Mr. Ewald will agree to provide transition services to Ruby under the direction of the CEO of Ruby from the period beginning on the Closing and ending December 31, 2009 (the “Transition Period”). During the Transition Period, Mr. Ewald will continue to receive at least 90% of his current Sapphire base salary and will receive benefits under the Plans included in Ruby’s Employee Benefits Handbook applicable to Ruby senior management. Mr. Ewald will receive a lump-sum transition payment of \$600,000 on January 1, 2010 unless he has been terminated for cause or resigned other than for good reason prior to the end of the Transition Period. If he is terminated without cause or resigns for good reason prior to the end of the Transition Period, he will receive the transition payment plus salary and the health benefits he would have received through December 31, 2009. Other than the above, Mr. Ewald will not receive any bonus, equity, change of control or other benefits.
- *Retained Executives:* By no later than the date of the entry of the Sale Order (as defined in the Agreement) (the “Sale Order Date”), Ruby will deliver to Sapphire a list of Sapphire Executives to whom it proposes to offer employment with prospects for a longer employment term. Ruby will, on or prior to the Closing Date and subject to Compensation Committee approval, offer such executives employment at a base salary not less than 90% of the amount such executives are currently receiving from Sapphire and otherwise substantially on the terms and conditions reflected in Exhibit A, which is the standard form of Ruby executive employment agreement.
- *Other Transition Executives:* With respect to those Sapphire Executives to be designated by Ruby on or before the Sale Order Date, Ruby will offer such executives transition agreements under which (i) such executives will provide transition services to Ruby for a defined period terminating no later than December 31, 2009 (with Ruby determining, by notice to each executive to be delivered no later than the Sale Order Date, the period applicable to such executive); (ii) each executive will, during his or her transition service period, continue to receive at least 90% of his or her current base salary and will receive benefits under the plans included in

Ruby's Employee Benefits Handbook applicable to Ruby senior management; and (iii) each such executive will receive, at the conclusion of the applicable transition service period, a lump sum transition payment equal to six months of his or her current Sapphire salary plus six months of health benefits coverage unless he or she has been terminated for cause or resigned other than for good reason prior to such conclusion. If such executive is terminated without cause or resigns for good reason prior to such conclusion, he or she will receive the transition payment plus salary and the health benefits he or she would have received through the conclusion of the applicable transition service period. Other than the above, such executives will not receive any bonus, equity, change of control or other benefits.

- *Other Terminated Executives:* Other Sapphire Executives not included by Ruby in any of the three categories above would be terminated on or before the Closing. Such executives would receive, upon termination, a lump sum payment equal to two (2) months of his or her current salary plus applicable accrued vacation as of termination.
- All such arrangements will be documented according to definitive agreements containing customary terms, including a release by the executive. Except as provided in this Annex, no Sapphire Change of Control, severance, or other bonus or benefit obligations will be taken on by Ruby.
